INSTITUT DE FRANÇAIS, UBC À QUÉBEC | JULY 3-21, 2017

FRENCH IMMERSION IN THE HEART OF QUEBEC CITY!

DESCRIPTION

This program is intended for school teachers and administrators interested in improving their French language skills and experiencing Quebec culture. There is no prerequisite for the program; previous classroom experience and prior knowledge of French are not required.

Morning classes, afternoon workshops and field trips concentrate on improving the participant's ability to converse in French. Communicative methods are used to encourage active student participation. Visits within the community are an integral part of the program.

The program is offered during the Quebec City Summer Festival and participants can enjoy the Festival's many cultural activities, from street musicians, concerts and plays to parades and fireworks on the St. Lawrence River.

INSTITUTE STAFF

French instructors from Quebec and BC will team-teach this program. All instructors employ and model communicative language teaching which has been used successfully in past programs.

LOCATION

The Collège Mérici is located near les Plaines d'Abraham, and it is within easy walking distance of all Quebec City attractions.

SCHEDULE

There is a welcome reception at the Collège Mérici on Monday evening, July 3. The program starts with placement interviews on Tuesday, July 4 at 8:30 am. Classes are held Monday to Friday from 9:00 am to 12:00 noon.

Afternoon workshops last approximately two hours. Evening and weekend activities are organized, while some are optional. The program ends on Friday, July 21 in the late morning. Accommodation on July 1-2 and July 21-22 will be available at an additional cost for participants arriving early or leaving after the morning of July 21.

METHODOLOGY

Morning classes concentrate on developing comprehension and speaking skills, as instructors model various aspects of communicative language teaching. Authentic communicative activities are presented to encourage active student participation through the use of media, multi-modal texts, role-playing and interaction with guest speakers. Afternoon workshops provide in-depth learning of specific topics related to instructors' expertise (e.g., technology in the French language classroom, la Francophonie, oral communication in French, etc.). Evening and

weekend excursions offer memorable cultural opportunities, a great way of connecting with colleagues and establishing long-term connections.

ACCOMMODATION AND MEALS

Single occupancy accommodation is provided at Collège Mérici. Participants have their own rooms in new four-bedroom apartments, and share kitchen and bathroom facilities. Each apartment has a fully equipped kitchen, a living room and dining area. Lunches are provided on weekdays, while breakfasts and dinners are the participant's responsibility. Spouses and children cannot be accommodated during the program.

TRANSPORTATION

Participants are responsible for arranging their own transportation to Quebec.

BURSARIES

BC teachers are eligible for a bursary if they:

1. are or will be involved in the teaching of French or in the supervision of a French program
2. are or will be working at a public or independent school as a teacher, teacher-on-call, vice-principal or principal
