PROFESSIONAL DEVELOPMENT & COMMUNITY ENGAGEMENT 
with UBC Faculty of Education

March 31, 2017

IT'S APRIL 1st.
Yet this is no April Fool's joke – registration is open in all categories for the 2017 Summer Institutes, and we really do have over 20 programs available this year!

March was a busy month for us finalizing our summer programs for teachers, and we are pleased to share the full line-up with you. If you haven’t figured out your plans are for summer learning, now is the time as registration is open across the board and programs are filling. Join us this year to engage your teaching and learning in:

- BC’s Renewed Curriculum
- ECE & Aboriginal Families
- French Immersion
- Home Economics & Food Studies
- Language & Literacy programs
- Multiculturalism, Gender Identity, Diversity & Inclusion
- Outdoor, Health or Physical Education
- Teaching English
- Transformative Educational Leadership
- Universal Design for Learning (UDL)
In this issue:

- Visual Literacy & Digital Technologies

---

**ONLINE LEARNING**

Learn and study when you can, from where you are. Complete your program or degree with the flexibility of online learning.

**ONLINE COURSES**

Study at your convenience with an online course of interest, or applicable toward your current program:

- Adult & Higher Education
- Counseling Psychology
- Early Childhood Education & Infant Development
- Curriculum & Pedagogy
- Educational Studies
- Educational Psychology and Special Education
• Home Economics Education
• Teacher Librarianship
• Language & Literacy Education

ONLINE DEGREES
Although many cohort programs are taught face-to-face, most also include online courses within the program. We also offer the following programs 100% online:

• Master of Educational Technology
• Master of Home Economics
• Master of Early Childhood Education
• Master of Adult Learning and Global Change

ONLINE GRADUATE CERTIFICATES
Along with face-to-face and mixed-mode graduate certificates, we currently have two fully online options that can ladder into the Master of Educational Technology degree program:

• Graduate Certificate in Technology-Based Distributed Learning
• Graduate Certificate in Technology-Based Learning for Schools

Online course delivery has allowed us to serve educators from almost every Canadian province and territory and from countries as far away as Jamaica, Hong Kong, Russia, Morocco, and New Caledonia to name a few! Each year, our Educational Technology Support unit works tirelessly alongside faculty experts to bring more courses and programs online.
