Congratulations to the Graduates of the Transformative Educational Leadership Program (TELP)

On July 12, the Faculty of Education celebrated the graduation of the 2016-2017 Transformative Educational Leadership Program (TELP).

The second TELP cohort included 29 educational leaders from across the province, the Yukon and the Ministry of Education. These graduates engaged in the year-long program to develop their capacity to transform themselves and their communities by exploring and engaging in dialogue and debate about major challenges and opportunities facing school districts.

Please join us in congratulating the newest graduates and discover who they are!

TEL Journal
Transformative educational leaders work in classrooms, boardrooms, community forums, out on the land and across agencies. Perhaps most importantly, they work together across roles. Discover how transformative educational leaders are using research in practice to impact learners in the
newly launched TEL Journal. The journal publishes two times per year (May and November).

**PROFESSIONAL LEARNING & RESOURCES**

**RECONCILIATION THROUGH INDIGENOUS EDUCATION - MOOC**
Join us for the 4th offering of this free online course!

Engage with Indigenous knowledge keepers, educational leaders, and resources to enhance your understanding and knowledge of practices that advance reconciliation in the places where you live, learn, and work.

- Begins: October 2017
- Registration is now open.
- Cost: free (small fee if you wish to pursue the Verified Certificate option)

**BRINGING MENTAL HEALTH to SCHOOLS**
This self-guided, fully online, classroom ready, modular mental health curriculum resource will launch in October 2017!
In this course, educators will learn how to apply this classroom-ready, web-based, modular mental health curriculum resource (the Guide) as well as upgrade their own mental health literacy. Educators can then use this curriculum resource in their schools to successfully address mental health related curriculum outcomes designed to be delivered by usual classroom teachers to students in grades 8 – 10.

- Begins: October 2017
- Registration is now open
- Cost: $20 (an additional $10 for a digital Certificate of Completion)
- Bursaries available!

**DIPLOMA & CERTIFICATE PROGRAMS**
Delivering a variety of relevant professional development options that will add value to and increase your expertise in a chosen specialization.

**SKY. WATER. EARTH**
Sky, Water, Earth is a collection of free, online, and self-paced resources that prepare you for a career in the sciences. Complete playlists and earn points that are redeemable for real-life opportunities, including Google Hangouts with leading experts, networking events, and other experiences.

- Available September 2017 to September 2018

---

**ONLINE LEARNING**

**ONLINE COURSES**
Study at your convenience with an online course of interest, or applicable toward your current program:

- Adult & Higher Education
- Counseling Psychology
- Early Childhood Education & Infant Development
- Curriculum & Pedagogy
- Educational Studies
- Educational Psychology and Special Education
- Home Economics Education
- Teacher Librarianship
- Language & Literacy Education
ONLINE GRADUATE DEGREES

Although many cohort programs are taught face-to-face, most also include online courses within the program. We also offer the following programs 100% online:

- Master of Educational Technology
- Master of Home Economics
- Master of Early Childhood Education
- Master of Adult Learning and Global Change

ONLINE GRADUATE CERTIFICATES

Along with face-to-face and mixed-mode graduate certificates, we currently have two fully online options that can transition into the Master of Educational Technology degree program:

- Graduate Certificate in Technology-Based Distributed Learning
- Graduate Certificate in Technology-Based Learning for Schools

Online course delivery has allowed us to serve educators from almost every Canadian province and territory and from countries as far away as Jamaica, Hong Kong, Russia, Morocco, and New Caledonia to name a few! Each year, our Educational Technology Support unit works tirelessly alongside faculty experts to bring more courses and programs online.
