PROFESSIONAL DEVELOPMENT & COMMUNITY ENGAGEMENT with UBC Faculty of Education

Hooray for summer!

Ten months of prepping lesson plans, teaching, marking papers, assessing projects, and encouraging students to be the best they can be have earned you a well-deserved break!

Now you can also take some time to also think about your upcoming professional development plans. We've still got spots left in some of our Summer Institutes, and we're also offering several flexible, part-time, MEd programs. Make sure to also check out our TELP program, and our online MOOCs!

Before you pull out your bathing suit or your tent, have a look at what's ahead. We promise you won't regret it!

In this issue:

Summer Institutes  Graduate Programs  Professional Learning  Online Learning

PS: Do you know an Outstanding Principal?
Did you know that nominations for Canada's Outstanding Principals will be accepted starting late August 2017? Learn more at The Learning Partnership.

---

**PROFESSIONAL LEARNING**

**TRANSFORMATIVE EDUCATIONAL LEADERSHIP PROGRAM**
Developing leaders ready to engage with and transform education and significantly improve student learning. Offering a one-year cohort program and an on-going seminar series in partnership with school districts, for education professionals.

We are currently accepting applications for the third offering of TELP (October 2017 - July 2018):

- **Application Deadline:** July 15
- Apply at: [telp.educ.ubc.ca/apply](http://telp.educ.ubc.ca/apply)

**RECONCILIATION THROUGH INDIGENOUS EDUCATION - MOOC**
Join us for the 4th offering of this free online course!

Engage with Indigenous knowledge keepers, educational leaders, and resources to enhance your understanding and knowledge of practices that advance reconciliation in the places where you live, learn, and work.

- Begins: October 2017
- Registration is now open.
- Cost: **free** (small fee if you wish to pursue the Verified Certificate option)

**BRINGING MENTAL HEALTH to SCHOOLS**
This self-guided, fully online, classroom ready, modular mental health curriculum resource will launch in October 2017!

In this course, educators will learn how to apply this classroom-ready, web-based, modular mental health curriculum resource (the Guide) as well as upgrade their own mental health literacy. Educators can then use this curriculum resource in their schools to successfully address mental health related curriculum outcomes designed to be delivered by usual classroom teachers to students in grades 8 – 10.

- **Subscribe to the mailing list** and we'll let you know when registration opens.

**DIPLOMA & CERTIFICATE PROGRAMS**
Delivering a variety of relevant professional development options that will add value to and increase your expertise in a chosen specialization.

**ONLINE LEARNING**

**ONLINE COURSES**
Study at your convenience with an online course of interest, or applicable toward your current program:

- Adult & Higher Education
- Counseling Psychology
- Early Childhood Education & Infant Development
- Curriculum & Pedagogy
- Educational Studies
- Educational Psychology and Special Education
- Home Economics Education
- Teacher Librarianship
- Language & Literacy Education

**ONLINE GRADUATE DEGREES**
Although many cohort programs are taught face-to-face, most also include online courses within the program. We also offer the following programs 100% online:

- **Master of Educational Technology**
- **Master of Home Economics**
- **Master of Early Childhood Education**
- **Master of Adult Learning and Global Change**
ONLINE GRADUATE CERTIFICATES
Along with face-to-face and mixed-mode graduate certificates, we currently have two fully online options that can transition into the Master of Educational Technology degree program:

- Graduate Certificate in Technology-Based Distributed Learning
- Graduate Certificate in Technology-Based Learning for Schools

Online course delivery has allowed us to serve educators from almost every Canadian province and territory and from countries as far away as Jamaica, Hong Kong, Russia, Morocco, and New Caledonia to name a few! Each year, our Educational Technology Support unit works tirelessly alongside faculty experts to bring more courses and programs online.

Connect with Professional Development & Community Engagement in the Faculty of Education.
We're here to support you in your professional development goals.
