PROFESSIONAL DEVELOPMENT & COMMUNITY ENGAGEMENT
with UBC Faculty of Education

School's out for summer... almost!

With summer holidays just around the corner, now is the perfect time for you to finalize your summer professional development plans, and we've got tons of summer institutes on offer.

Summer is a time to relax and reap the rewards of a great year of hard work, but it's also a time to gain new perspectives, collaborate with fellow teachers, and develop your professional skills.

It's not too late! We still have some spots left for a variety of our summer learning programs. Register today!

In this issue:

- Summer Institutes
- Graduate Programs
- Online Learning
- Summer at UBC Okanagan
- Professional Learning

PROFESSIONAL LEARNING

TRANSFORMATIVE EDUCATIONAL LEADERSHIP PROGRAM
Developing leaders ready to engage with and transform education and significantly improve student learning. Offering a one-year cohort program and an on-going seminar series in partnership with school districts, for education professionals.

We are currently accepting applications for the third offering of TELP, which begins in October 2017 and completes in July 2018.

- Application Deadline: July 15
- Apply at: telp.educ.ubc.ca/apply

RECONCILIATION THROUGH INDIGENOUS EDUCATION - MOOC
Join us for the 4th offering of this free online course!

Engage with Indigenous knowledge keepers, educational leaders, and resources to enhance your understanding and knowledge of practices that advance reconciliation in the places where you live, learn, and work.

- Begins: October 2017
- Registration is now open.
- Cost: free (small fee if you wish to pursue the Verified Certificate option)

BRINGING MENTAL HEALTH to SCHOOLS
We are still working on this self-guided, fully online, classroom ready, modular mental health curriculum resource - set to launch in October 2017!

In this course, educators will learn how to apply this classroom ready, web-based, modular mental health curriculum resource (the Guide) as well as upgrade their own mental health literacy. Educators can then use this curriculum resource in their schools to successfully address mental health related curriculum outcomes designed to be delivered by usual classroom teachers to students in grades 8 – 10.

- Subscribe to the mailing list and we'll let you know when registration opens.

DIPLOMA & CERTIFICATE PROGRAMS
Delivering a variety of relevant professional development options that will add value to and increase your expertise in a chosen specialization.
ONLINE LEARNING

ONLINE COURSES
Study at your convenience with an online course of interest, or applicable toward your current program:

- Adult & Higher Education
- Counseling Psychology
- Early Childhood Education & Infant Development
- Curriculum & Pedagogy
- Educational Studies
- Educational Psychology and Special Education
- Home Economics Education
- Teacher Librarianship
- Language & Literacy Education

ONLINE GRADUATE DEGREES
Although many cohort programs are taught face-to-face, most also include online courses within the program. We also offer the following programs 100% online:

- Master of Educational Technology
- Master of Home Economics
- Master of Early Childhood Education
- Master of Adult Learning and Global Change

ONLINE GRADUATE CERTIFICATES
Along with face-to-face and mixed-mode graduate certificates, we currently have two fully online options that can transition into the Master of Educational Technology degree program:

- Graduate Certificate in Technology-Based Distributed Learning
- Graduate Certificate in Technology-Based Learning for Schools

Online course delivery has allowed us to serve educators from almost every Canadian province and territory and from countries as far away as Jamaica, Hong Kong, Russia, Morocco, and New Caledonia to name a few! Each year, our Educational Technology Support unit works tirelessly alongside faculty experts to bring more courses and programs online.
