PROFESSIONAL DEVELOPMENT & COMMUNITY ENGAGEMENT
with UBC Faculty of Education

JUST AROUND THE CORNER...

Despite the cool and rainy spring we're experiencing here in BC, we are fairly certain the warm days of summer are just around the corner! No, really.

And that means, planning. Mapping out vacation plans (camping or glamping?). Summer camp registrations (for those with kiddos). Sending invitations for BBQs and kayaking. And, registering for professional learning programs... of course!

Here's our short and simple reminder that now is the time to get registered for your preferred summer learning program. Registration deadlines for many of our summer institutes occur in May, and these events can fill quickly.

Take a look at what's in store. We hope you'll be joining us this summer.

ONLINE LEARNING

ONLINE COURSES
Study at your convenience with an online course of interest, or applicable toward your current program:

- Adult & Higher Education
- Counseling Psychology
- Early Childhood Education & Infant Development
- Curriculum & Pedagogy
- Educational Studies
- Educational Psychology and Special Education
- Home Economics Education
- Teacher Librarianship
- Language & Literacy Education

ONLINE DEGREES
Although many cohort programs are taught face-to-face, most also include online courses within the program. We also offer the following programs 100% online:

- Master of Educational Technology
- Master of Home Economics
- Master of Early Childhood Education
- Master of Adult Learning and Global Change

ONLINE GRADUATE CERTIFICATES
Along with face-to-face and mixed-mode graduate certificates, we currently have two fully online options that can ladder into the Master of Educational Technology degree program:

- Graduate Certificate in Technology-Based Distributed Learning
- Graduate Certificate in Technology-Based Learning for Schools

Online course delivery has allowed us to serve educators from almost every Canadian province and territory and from countries as far away as Jamaica, Hong Kong, Russia, Morocco, and New Caledonia to name a few! Each year, our Educational Technology Support unit works tirelessly alongside faculty experts to bring more courses and programs online.
Connect with Professional Development & Community Engagement in the Faculty of Education. We're here to support you in your professional development goals.
