2020 Spring Institutes
Mental Health Literacy
for educators and leaders
February 2020
MENTAL HEALTH INSTITUTES

Developed as part of a province-wide professional development strategy, these Institutes aim to increase mental health literacy leadership capacity in districts and schools.

UBC Vancouver Campus

Go-To Educator Institute | Feb. 3-4, 2020
Supporting Student Mental Health

[link]

Develop mental health knowledge, identification and support as well as strategies for working with health providers, parents and families.
