CALLING ALL EARLY CHILDHOOD EDUCATORS, AND THOSE ASPIRING TO WORK IN ECE!

Do you want to work with young children as an Early Childhood Educator, or Early Childhood Professional?

The MEd program in Early Childhood Education (ECED) is designed for teachers, early childhood educators, and other early childhood education professionals who are interested in enhancing their knowledge of professional practice with young children and exploring issues in early childhood research, theory, and practice.

This graduate cohort is an interdisciplinary, cross-departmental program that consists of core courses in early childhood education and complementary courses offered by other departments.

This program is ideal for:

- Teachers
- Early Childhood Educators
- Early Childhood Education Professionals
- Professionals working in child and family government or NGO programs
