UBC Acceptable Course Guide Notes:

¹ This chart provides coursework suggestions that are, and have been, available at various institutions and at various dates. Although the UBC Teacher Education Office annually verifies the suitability of coursework, please be aware that course content and objectives may change unexpectedly, regularly and without notice; thus courses on this list may not meet requirements. If you have questions regarding course acceptability after carefully reviewing this guide, please contact the TEO at teacher.ed@ubc.ca.

² 6 credits of English or French literature and composition is required. If an applicant presents 3 cr of English or French composition, 3 cr English or French **literature** is required. 6 cr of English or French literature is acceptable. Applicants may not present 3 cr of English and 3 cr of French literature and composition.

³ Underlined Math courses are recommended for elementary teachers. (Note: Underlined courses are not the only courses accepted for admission purposes.)

Deadline for course completion: All coursework, including prerequisites and courses used to fulfill requirements of other programs of study, must be fully completed no later than June 30.
